To Whom It May Concern:

SickKids Foundation is extremely pleased to recommend to you an exciting opportunity to support The Hospital for Sick Children (SickKids) through the **Friends Helping SickKids Disco** event taking place at **Venu Event Space, 2800 Highway 7, Vaughan, ON at 6:00p.m. on April 5, 2025**. This disco-themed gala generously supports **Leukemia Research** at SickKids.

Because of the support SickKids receives from Friends Helping SickKids and community initiatives like it, important advances have been made in child health research, new life-saving medical equipment has been purchased for our clinics and operating rooms, and our young patients continue to receive the best care that science, technology, and compassion have to offer – here in Toronto and around the world.

To ensure success, the organizers of this campaign require support from companies, organizations, and individuals who share their vision and hope for improved child health. It is my hope that you will consider supporting this initiative. Your commitment will not only ensure that this campaign is a fundraising success, but it will also make a real difference in the lives of children today and for generations to come.

If you can lend your support, please accept our deepest gratitude.
